

Norweigan Pearl Alaska Cruise July 1-8, 2018

Join us as we embark on an unparalleled journey to Pristine Alaska for a 8-day 7-night adventure by sea. Start your journey from **Seattle, WA**. As we head out for **Juneau, AK**. Juneau has been the home of Native American fisherman, European fur traders, and American gold prospectors. Now a free-spirited state capital, Juneau is the perfect base for a journey into Alaska. From here we will sail overnight and wake up in **Skagway, AK**. Skagway and its population of about 800 attract more than 700,000 visitors each year, who typically tour the National Historic Park buildings, then stroll along the boardwalks, window shop, and admire the town's collective green thumb. Next we will be cruising thru **Glacier Bay** to see the amazing glacier in all it's beauty. Our next port of call will be **Ketchikan, AK**. Ketchikan, one of Alaska's most Southeastern cities. A stay in Ketchikan itself can be rewarding, however, as the city is the gateway to Misty Fjords National Monument, an area so beautiful, it is known as "The Yosemite of the North." With steep valleys formed by glaciers and lava flows left by volcanic activity, Misty Fjords offers gorgeous views of natural formations, all reflected in the calm waters of Pacific inlets. From here we will sail to our final port of call **Victoria B.C**. Victoria is a thriving city of heritage architecture and time-honored traditions like afternoon tea. With the ocean at its doorstep and wilderness in its backyard, it's also a perfect place for outdoor enthusiasts. Who knew there could be so many thrilling ways to break away from your everyday life. So, come explore Alaska's great national parks and wildlife preserves. Of course now we do have to return back to Seattle, WA to get you on your way back home. Here on this trip are all the ingredients needed for a complete escape for today's world, won't you join us for an adventure of a lifetime.
