

Wizard of Oz Museum & Fishlips

Friday, February 13th, 2026

The museum features a unique collection of rare and one-of-a-kind artifacts from the fascinating history of the Wizard of Oz. Visitors can follow the Yellow Brick Road with Dorothy and her companions as they explore the early days of Oz as a best-selling children's book series created by the legendary author L. Frank Baum. The journey extends to the iconic MGM film starring Judy Garland, as well as modern pop-culture sensations like THE WIZ and WICKED. You can even see original props from the movie, such as Dorothy's dress, the Winkie Guard Spear, Ruby Slippers from Disney's "Great Movie Ride," and an Emerald City Townsman jacket. Next, you will enjoy an immersive exhibit of the Wizard of Oz, followed by Van Gogh! Next, we will head over to Fishlips on the water at Port Canaveral. Finally, we will head to Ron Jon Surf Shop for some shopping before heading home!
