

Royal Caribbean Vision of the Seas

February 28- March 7, 2027

Come sail with us on a Royal Caribbean's Vision of the Seas for a 7 night cruise! We will depart from San Juan P.R. and sail to Beautiful St. Thomaas .Antigua has a total area of 440 km² (170 sq mi), making it one of the smallest countries in the Caribbean our next stop Martinique has many beaches: those in the south of the island have white sand, unlike those in the north which are of volcanic origin and therefore have black or gray sand. Grenada has many beaches around its coastline, including the 3 km (1.9 mi) long Grand Anse Beach in St. George's, often described as one of the best beaches in the world. Grenada's many waterfalls are also popular with tourists. Kingston is the capital and largest city of Saint Vincent and the Grenadines. The city, located on the main island of Saint Vincent, has the main port and the biggest commercial center of the islands
