

Space Coast by Land & Sea

February 16th, 2018

Join us for this wonderful tour of the beautiful Port Canaveral area. Our first stop will be on the Space Coast Boat Tour. Enjoy a two hour tour aboard the Blue Dolphin, a 44 foot pontoon boat as we cruise down the Banana River. We will see birds, dolphins and manatees, and also explore the Canaveral Locks that go through Port Canaveral, one of the busiest ports in the nation. After our cruise, we will enjoy lunch on the water at Fishlips Restaurant. After a delicious lunch, we will head over to the new Exploration Tower at Port Canaveral. Here we will explore 4 floors of interactive exhibits highlighting space and technology, wildlife and ecosystems, and much more!
