

Wild Florida

Wednesday, February 21st, 2018

Come with us on a fun filled adventure! Wild Florida set out to preserve one of the few pieces of private property on Lake Cypress in the headwaters of the Florida Everglades. With an eye on polishing one of the jewels that is a throwback to what Florida used to be like, Wild Florida gives Orlando visitors and local residents a glimpse of what it's like to be lost in the Middle of Nowhere. In this amazing Wildlife Park, they have over 200 animals on display, including zebras, sloths, lemurs, bobcats, and other exotic species. There is also a walk-in bird aviary with ducks, parrots and other birds from all over the world. Join us for a wonderful tour of this fantastic wildlife adventure, including an airboat ride and a delicious lunch!
