

# Speakeasy Murder Mystery Dinner Show

## February 20th, 2026

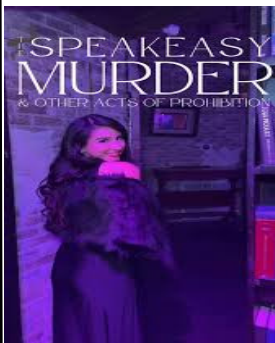

Step back in time to the roaring 1920's and prepare for an unforgettable trip to the "Speakeasy Murder & Other Acts of Prohibition" Show in Orlando! As soon as the doors open, the action begins. Soak in the lively atmosphere of a New York nightclub, complete with music, comfortable seating, signature cocktails (for an additional fee) and delicious food crafted for the occasion. The room buzzes with bootleggers, gangsters, and flappers dancing The Charleston. But don't get too comfortable—this isn't just any night at the club. When the music stops, someone is going to be murdered, and you'll be right in the thick of it. With colorful characters weaving through the audience, this is more than a show; it's an interactive experience. Each of us can play detective as much or as little as we wish. Bribes, secrets, and surprises are the currency of this experience, & every twist depends on our votes! Dinner will be served prior to the performance! You won't want to miss this fun night out!
