FOLK FESTIVAL

Along the banks of the historic Suwannee River in **White Springs, Florida**, folk artists have gathered since 1953 for the state's most prestigious cultural event. Join us for the **71st Annual Florida Folk Festival** at **Stephen Foster Folk Culture Center State Park** - one of the oldest and most revered state folk festivals. This awesome event is recognized by the Southeast Tourism Society as a "Top 20 Event" in the Southeast United States! The festival will feature performances and demonstrations celebrating the diverse living traditions of Florida. Be sure to visit the **Folklife Area** to experience the compelling traditions and savor the flavors, sights and sounds of some of Florida's oldest and newest cultural communities. From Irish fiddle tunes, contra dancing and root beer floats to the wide varieties of music, the state's cultural heritage reflects the lives of generations of Florida families. Sit and listen to stories or enjoy many demonstrations and workshops, try your own hand at playing mandolin or take in the taste of culture with any of the many food vendors while enjoying live music by local and nationally known artist.
